PRODUCT NUMBER: 1822120

X-PRO

X-Pro with SX-Pro demand valve and Opti-Pro full-face
mask with five-point straps.

Honeywell

Overview

Reference Number
1822120

Product Type
Respiratory Protection

Range
SCBA (Self Contained Breathing Apparatus)

Brand
Honeywell

Brand formerly known as
FENZY

Industry

- Chemical Industries
- Fire Protection brigades
- Petro-chemical

Product Use

Its construction integrates many passive safety elements and modular function, offering an optimal protection for the user in every kind of environments and extreme applications. Approved to -30 to +60°C.

Features & Benefits

Feature
Ultra-light, height adjustable back plate for various body shapes

Benefit
Improved comfort

Feature
Thermo-compressed fibre comfort cushions on the shoulders, waist belt straps and on the upper back straps

Benefit
Improved comfort

Feature
Curved shoulder straps, specially designed to maintain the apparatus on the shoulders, regardless of the user's position or movements

Benefit
Improved comfort

Feature
Rotating hip belt

Benefit
Improved comfort

Feature
Sx-Pro quick click first breath activated positive pressure, compensated demand valve

Benefit
Improved comfort and simplicity of use

Feature
Limited maintenance

Benefit
Life cycle cost reduced

Feature
For increased protection, the high- and mediumpressure hoses are integrated into the back plate, reducing risk of damage

Benefit
Increased safety

Feature
Movable and foldable foot protecting the cylinder and the high-pressure system from impacts

Benefit
Increased safety
